Sold in packs of 8 with washers

# FIND A BOARD THAT PERFECTLY REFLECTS YOUR STYLE.

Everyone at Mindless is 100% committed to doing everything in our power to help sustain forests and the future of our planet! We insist all of our hardwood is sourced only from regenerative forests and we recycle as much as possible.

Also by reusing items like grip tape backing for packaging and burning the wood scraps to power our dryers, riders are able to buy our boards with confidence.

Want to become part of the  
Mindless family?
